## VAN LOVEREN

The brand symbol VRL places the Retief family at the centre of Van Loveren. The Retief family's commitment and values are the heartbeat of the wine farm and the wines are built upon the passion and dedication of a family working together.

Nestled amidst rolling hills and vineyards in the beautiful Robertson Valley, lies Van Loveren, a family-owned wine farm steeped in tradition and passion.

For generations, the Retief family has been cultivating exceptional grapes and crafting exquisite wines that reflect the unique terroir of the region.

Van Loveren has been in the Retief family since 1937 when Hennie Retief acquired the land and named it after Christina van Loveren, an ancestor of his new wife, Jean (nee van Zyl).

By 1960 Hennie Retief's sons, Nico & Wynand had joined their father on the farm and acquired further land for planting vineyards.

On the 23rd October 1980, which coincided with Hennie Retief's 67th birthday, the first bottled Van Loveren wine was launched.

Today Nico and Wynand's sons are running the company side by side. Hennie and Neil are the viticulturists. Bussell the winemaker and Phillip looks after the commercial side of the business.

Van Loveren invites you to join in the celebration of family, tradition and the art of winemaking.
